About It

Included in Kit

Paint Runner Pro Roller

Fill the roller paint chamber and the micro-fibre roller releases the paint in a perfect even flow. You control how much paint is released by how hard you press.

1

Flocked Edger

Lets you cut in cleanly and easily around ceilings, windows, skirting and architraves without messy mistakes.

1

Corner Pad

Lets you cut in cleanly and easily in wall-and-ceiling corners.

1

Resting Tray

For resting the roller when you take a break

1

Easy-Pour Jug

To fill the Paint Runner Pro Roller easily and cleanly with a maximum measured amount of paint.

1

Instruction Manual

Safety and operating manual.
